

Instructions for Submitting Virtual Auditions

Step 1: Prepare Your Audition

A. **Select Your Song:** Choose one of the prescribed audition songs. Make sure you are familiar with the lyrics and melody.

Step 2: Record Your Audition

A. **Set Up Your Recording Space:**

- Find a well-lit area with minimal background noise.

B. **Recording Your Video:**

- Intro: Start with a brief introduction (your name and the song you'll be performing).
- Singing: Sing your selected song section a cappella (without accompaniment).

C. **Video Tips:**

- Use a smartphone or camera to record. Ensure your device is stable.
- Aim for clear audio; if possible, use a microphone or ensure you are close to the recording device.

Step 3: Upload Your Video to YouTube

A. **Create a YouTube Account:** If you don't already have one, create an account on YouTube.

B. **Upload Your Video:**

- Click on the camera icon with a "+" sign (top right corner) to upload your video.
- Set the video visibility to "Private" to ensure only those with the link can view it.

C. **Copy the Video Link:** Once uploaded, click on your video, and copy the URL from the address bar.

Step 4: Complete the Audition Form

A. **Fill Out the Audition Form:** Complete all required fields in the audition form.

B. **Paste the YouTube Link:** Enter the link to your private audition video in the designated field on the form.

Step 5: Submit Your Audition

- Review all your information to ensure accuracy, then submit the audition form.
